JOURNAL OF PROCEEDINGS.

The Eighty-first Annual Convention of the Diocese of North Carolina assembled in the Church of the Good Shepherd, Raleigh, on Wednesday, the 12th day of May, A. D. 1897.

Morning prayer having been said by the Rev. Charles Fetter and the Rev. James F. Plummer at 9 o'clock, the Convention was called to order at 10 o'clock by the Bishop of the Diocese.

The roll was called by the Secretary and there were found present twenty-four of the Clergy and delegates from fourteen Parishes, whereupon the Bishop declared the Convention duly organized, and, on motion, a recess was taken for Divine Service.

At 11 o'clock the Litany was said by the Rev. Charles Fetter, and the Bishop celebrated the Holy Communion, assisted by the Rev. Charles T. Bland. The sermon was preached by the Rev. James B. Avirett, from the text, Isaiah xxi, 11: "The burden of Dumah. He calleth to me out of Seir: Watchman, what of the night? Watchman, what of the night?"

The offerings of the congregation were received for the New York Bible and Common Prayer-Book Society.

At a meeting of the Committee, held at the request of the Bishop, on October 9, 1896, the following preamble and resolutions were unanimously adopted, to-wit :

“ WHEREAS, In the opinion both of the Bishop and of the Rector of the Church of the Good Shepherd it is impracticable to develop and carry out a Cathedral for this Diocese, as for other causes, so especially because the efforts of the Churchmen of North Carolina should be concentrated upon the permanent establishment of St. Mary's School; therefore

“ *Resolved*, That, in the judgment of the Standing Committee, acting under the sanction of the resolution adopted by the Convention of May, 1896, the action of the Bishop and the Convention of 1895, in accepting the Church of the Good Shepherd, Raleigh, as the Cathedral of the Diocese, should be rescinded, and by the authority reposed in the Bishop and Standing Committee, said action is hereby rescinded. The Bishop assents to and joins in the above action.”

REPORT OF THE TRUSTEES OF THE DIOCESE.

The Trustees to hold Property for the Diocese of North Carolina respectfully report:

1. That the following deeds of conveyance have been handed to them since the last annual Convention:

(1). Deed to the Trustees of the Diocese from Frank Valentine and wife, for about $1\frac{3}{4}$ acres of land in Henderson County, adjoining lands of Rev. R. Wainwright and others, dated September 5th, 1887, and registered in Henderson County, in Book 23, page 274. This deed was found by Rev. A. H. Stubbs, in Shoenberger Hall, and forwarded to the Trustees in October, 1896.

(2). Deed to the Trustees from Rev. F. J. Murdock, D.D., and wife, for a lot 60 by 67 feet in the city of Salisbury, adjoining lands of Salisbury Cotton Mill, expressed to be for purpose of building a church to be known as St. Paul's Church, as a memorial of Robert Murdock and Rollo Murdock, deceased brothers of the grantor, Dr. Murdock, dated February 14th, 1894, and registered in Rowan County, in Book 79, page 102.

(3). Deed from Samuel L. Blythe and others, to Heriot Clarkson, for about $1\frac{1}{4}$ acres in Mecklenburg County, adjoining the lands of R. D. Whitley, St. Mark's Church, and others, dated December 14th, 1896, and registered in said county, in Book 116, page 143.

(4). Deed to the Trustees of the Diocese from R. D. Whitley and wife, and Heriot Clarkson and wife, for the same land and two acres adjoining, making $3\frac{1}{4}$ acres in all, dated December 14th, 1896, and registered in Mecklenburg County, in Book 116, page 134.

(5). A contract by the Piedmont Land and Manufacturing Company with the Trustees of the Diocese, to convey lots Nos. 23 and 24, of Block 17, as per map of said Company, at Mayodan, Rockingham County, conditioned upon the building and completion of a church thereon within eighteen months from the date of said contract, to-wit, February 12th, 1897; *unregistered*.

2. That the Trustees are advised that the demand for real estate in Winston is not now sufficient to justify a sale of the lots devised to them by the late Bishop Lyman, for the Permanent Episcopal Fund, and that the Treasurer has thus far received as rent from said lots hardly more than enough to pay the taxes and insurance on the property.

For a statement of the several funds under the control of the Trustees, they refer to the report of the Treasurer.

Mr. Wm. A. Smith presented the following

REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON
ORPHANAGE AND TRAINING INSTITUTION.

The Board of Managers of the Thompson Orphanage and Training Institution respectfully report :

It is with pleasurable emotions of love and gratitude to Christ and His Church that we are again enabled to submit a report, showing the increased interest in this great work for the orphans, as manifested by donations sufficient to make them reasonably comfortable.

We are glad to call attention to the fact of largely increased offerings made by the churches. About one-half of all the churches in the State contributing \$1,340. (What is the matter with the other half?)

Only 54 individual churchmen came to our help with \$562 Of this number our thanks specially are due Messrs D. Y. Cooper and Frank Wood for 71 per cent of the amount.

Forty-three churchwomen gave, individually, \$234. Of these we are particularly grateful to Mesdames Lardner, Baruch and Liddell—all from the beautiful Queen City of the South.

The guilds and other organized societies are largely depended upon for current expenses, and among the thirty contributing we would commend the zeal of St. Agnes Guild of Christ Church, in the stately City of Oaks, with its contribution exceeding ten dollars each calendar month, followed by the Thompson Orphanage Guild, of Tarboro; St. Timothy's Guild, also of Christ Church, Raleigh; and the Daughters of the King, of St. Luke's, Salisbury.

Eleven Sunday Schools gave \$46.94, and children's gifts reported \$59 21; total, \$105.15; showing the deep, all-pervading interest of the little ones, by their savings and by their self denials, known only to God and His Christ.

We cannot omit mention of the faithful friend of the Orphanage, Miss Boyd, of Charlotte, whose devoted labor has resulted in nearly \$100 this year; nor the constant, though unknown, collector in Lincolnton. Who will join these two faithful ones and lend her aid in this service of love?

The voluntary labors of the Rev. B. S. Bronson in behalf of the Orphanage have done much good and are highly appreciated by the Board, and we are hopeful and confident they will result in rich fruition.

Among other things, we note with gratification the improvement of the dormitories, by the addition of neat little iron bedsteads, that look so cosy and inviting.

Memories of the past sometimes cheer and gladden and animate us to efforts of further achievement. We thank God and take courage. We remember, in the beginning of this work ten years ago in this very Temple of God, the trepidation of loyal churchmen as to our ability to sustain this work. Those fears have vanished, and year after year demonstrates the wisdom of the undertaking.

The thing that it was thought could not be done was done, because there was a man to do it.

We attribute our success, under God, to the most fortunate selection of a Superintendent. His leadership has been pure, skillful, energetic, superb—ever watchful and prompt and faithful. The years of his loving, arduous, unselfish and oftentimes harassing labors for the orphans committed to his care, cannot count for nothing—"Fruition is as inevitable as fate." The orphans are no longer fatherless; his kind words are telegraphic messages to the hearts of these children, whose cheeks flush and eyes brighten with joy in his presence.

His administration is cordially supported by the matrons and teachers, and has the full, perfect and entire confidence of the Board and the Church. Do not withhold from him the gifts asked, and so much needed, which are set out in detail in his report to the Board of Managers, subjoined as a part of this report for the purpose of fuller information.

For permanent realty improvement \$2,000 is required. The sympathy of the Church goes out to the orphans, and who will express that sympathy, and be the happy contributor to their comfort and well being, by erecting the much needed buildings, and thereby

Rescue His name from oblivion by the drifting sands of time,
And commemorate it in stone for the orphans of His clime?

The more thoughtfully the devoted churchman contemplates the design and understands the scope of this institution, the more worthy will he find it to be entitled to his confidence and his alms.

Respectfully submitted,

W. A. SMITH,
For Board of Managers.

THE ELEVENTH ANNUAL REPORT OF THE REV. E. A. OSBORNE, SUPERINTENDENT OF THE THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

To the Board of Managers:

With a deep sense of gratitude to Almighty God for what he has been pleased to accomplish, through our humble instrumentality, in this great work, and of our entire dependence upon His merciful Providence for all that has been or can be done, I respectfully submit this my Eleventh Annual Report.

The health of all connected with the Institution has generally been good, and we have been well supplied with food and raiment during the year. Our present number of children is 52. We have received seventeen children during the year, and discharged nineteen.

To the faithful and efficient services of our two matrons, Miss Mackay and Miss Capehart, of our teacher Miss Jarman, foreman Mr. Jamison, and the cheerful and conscientious obedience and diligence of the larger girls and boys, we are indebted for very decided improvement in the moral and intellectual tone of the children, as well as success in the various departments of work in the Institution.

Services are held almost daily in our beautiful Memorial Chapel of St. Mary the Virgin, in which the children take much interest, and there are many gratifying evidences that the divine blessing attends the means of grace as used in this Institution.

I submit an itemized statement of receipts and disbursements, from which it will be seen that we have had sufficient to supply our daily wants and to build the much needed cottage for our foreman, which has been a very great help to the work here, but we greatly need a larger income in order to do the work we have on hand, to-wit:

We need \$200 additional yearly for employing a teacher for the primary department of our school, and \$100 yearly to increase the efficiency of the senior department. We also need \$200 a year for a teacher in the industrial department for girls, where we now have no regular teacher, making \$500 a year more than we now have. It is plain to every one that these are urgent wants, which will require systematic contribution to supply, or else an endowment fund.

We also need a building for industrial purposes for boys and girls. This would cost some \$800 or \$1,000, including furniture.

We are also much in need of an addition to Bronson Hall, for a laundry, dining-room and storage room. This will cost some \$600.

We hope to have the long needed infirmary apartment built to Thompson Hall this summer, with funds from the Thompson Orphanage Guild of Charlotte, and some funds on hand from other sources. We have been greatly helped by regular contributions from Parish Guilds throughout the State, and from several branches of the Woman's Auxiliary. Our existence depends upon the continual aid of these associa-

tions, for which we earnestly plead. Much as we need buildings and endowments, we need even more, funds for meeting current expenses, and nothing should be allowed to interfere with these regular and systematic contributions for daily expenses.

Our unbounded gratitude is due and hereby tendered the many friends who have stood by the work during the trying year that is past, encouraging and aiding with self-denying gifts and cheering words: and in this connection we would mention the various Guilds, a number of Sunday Schools, and the Woman's Auxiliary throughout the State, as well as the many individuals who have contributed of their means to our support.

Dr. Petree, our physician, has been most faithful in attending our sick upon all occasions, while Drs. George Graham, H. A. Wakefield, Charles Alexander and M. A. Bland & Son have cheerfully responded to many calls we have had to make on them in their lines of practice. We are also greatly indebted to the various Railroad companies, the Express company, and to the newspapers throughout the State for many courtesies and favors, and to the merchants and citizens of Charlotte for innumerable kindnesses and assistance.

Among the contributions received the past year is one that seems to claim special mention, namely: A legacy left us by the will of the late Vincent G. Ott, of Charlotte, who gave his entire estate to the Institution, after paying his debts. The estate consisted of a house and lot on the corner of 6th and Myers street in Charlotte, also two vacant lots adjoining the same. As there were considerable debts against the estate, it has been necessary to sell the vacant lots, which, with the personal effects, it is hoped will pay the debts, so that the house and lot may be left for the Institution, which will yield an income of about \$100 a year

To sum up the work of the Orphanage since it was opened on the tenth of May, 1887: One hundred and sixty-nine children have been received. A comparatively small proportion of these children have remained with us during the full time allowed, many having returned to their friends whose circumstances permitted them to receive them. Others have been placed in homes in different parts of the country, where they are being brought up as members of the families in which they are placed, while a few have left without permission. Most of those placed in families are in the country, with plain but respectable people, who train them to work for their living according to their station of life—the boys to do farm work, and the girls house work.

One of our girls who worked in this way has married a young man in the country, and they now have a home and support themselves on a little farm. Another married a young merchant who has a comfortable home in Florida; another married in South Carolina, and still another in Charlotte, while one makes a respectable living in Charlotte as a typewriter and stenographer. One works at the same business in

Washington City, and one in Norfolk, Va. One of our boys, now grown, works at the laundry business and helps to support a delicate mother, and several younger members of the family. Two young women, trained in the Orphanage, are helps in families, where they earn wages and are respected for their industry and integrity of character. We mention these facts to show that the practical results of our efforts are being realized in the lives of those who have been committed to our care. Other instances could be mentioned, if time and space would permit. Of course there have been some apparent failures, as there are, alas, in many families; but perhaps the number is not greater in proportion than in the average families of the State, where the children have had even better advantages. So that upon the whole, the results are encouraging, and have more than repaid all the labor and sacrifice that have been bestowed upon this work.

I append herewith a statement of receipts and disbursements, submitted with my books and vouchers, as a part of this report.

That by an Act of the General Assembly of the State of North Carolina, ratified March 2, 1897, Jos. Blount Cheshire, Jr., Alfred A. Watson, Francis J. Murdoch, Julian E. Ingle, Charles E. Johnson, William A. Erwin, Robert Strange, Wharton J. Green, McNeely DuBose and Theodore F. Davidson, their associates and successors, were constituted a body politic and corporate, under the name of "Trustees of St. Mary's School," with power to increase their number so that the total shall not exceed sixteen, exclusive of *ex officio* members, and were granted all powers usually granted to school corporations, and amply sufficient for the purposes of St. Mary's School.

It is provided in the Act of Incorporation that all Bishops of the Protestant Episcopal Church, exercising canonical jurisdiction within the State of North Carolina, shall be *ex officio* members of this Board of Trustees, and that in filling vacancies, the member elected shall always be chosen by that ecclesiastical division of the State to which the retiring member had belonged. It is not thought necessary to include in this report the other provisions of the act.

Immediately upon the ratification of the act of incorporation, a meeting of the incorporators was called at the Bishop's house in Raleigh, at which all of [the incorporators were] present, except the last named. Upon motion of the Clerical Trustee from Wilmington, seconded by the Clerical Trustee from Asheville, it was determined that of the sixteen members of the board allowed by the act of incorporation, eight should be from the Diocese of North Carolina, four from the Diocese of East Carolina, and four from the Jurisdiction of Asheville. The board thereupon proceeded to fill up their number by the election of Rev. Thomas M. N. George and Col. John W. Atkinson of East Carolina; the Rev.

Churchill Satterlee and Mr. Silas McBee of Asheville; and the Rev. Junius M. Horner, Dr. Richard H. Lewis, Mr. Lawrence S. Holt, and Mr. David Y. Cooper of North Carolina. The organization was completed by the election of the Bishop of North Carolina President of the Board, and Mr. Charles Root Secretary and Treasurer.

It being the desire of the Rev. Dr. Smedes to be relieved of the sole responsibility of the school, the Board of Trustees, after full conference with him, have made satisfactory arrangements by which the school will be carried on for the year 1897-'98, with Dr. Smedes as Rector.

One or two points in this agreement are, however, of vital importance, and will prove, we trust, of very great interest to the church people of North Carolina and the public at large. In the first place, it is agreed that the charges for tuition, board, etc., shall be so reduced that all the benefits of the school, exclusive of instruction in those branches commonly denominated "extras," shall be available for boarding pupils at a price of two hundred dollars for the school year, and that instruction upon the piano may be added to the above for an additional charge of forty dollars. It is further agreed that all Clergymen of the Ecclesiastical bodies represented on the Board of Trustees, shall be entitled to the benefits of the school for their daughters free of ordinary tuition charges, paying only for board and "extras."

It should further be mentioned that with some limitations the Board of Trustees has felt authorized, by the very deep interest expressed by our people in St. Mary's School, to guarantee to Dr. Smedes, in consideration of the foregoing very considerable reduction in the charges, a certain patronage for the school during the year 1897-'98, and they most earnestly call upon the clergy and people of North Carolina to redeem this pledge, and to send their daughters to this most admirable school.

The Board further determined that not less than one hundred thousand dollars should be raised to provide a site and buildings for the school, and to provide an endowment for the purpose of extending the benefits of the school to those unable to defray expenses, even at the reduced rate. In endeavoring to carry out this purpose, they requested Bishop Cheshire to devote some weeks this spring to a canvass of the State in the interest of St. Mary's School. The Bishop has reported in his address his work in this canvass. He found many evidences of a deep interest on the part of the people in every section of the State in the success of our enterprise. He had some success in his efforts to interest the women in raising an endowment, and the Treasurer has in his possession a number of bonds, and some cash payments on this endowment fund, amounting to about four thousand dollars. He found, however, that it was not advisable to ask for subscriptions or gifts for the purchase of property for the school, since he was unable to state definitely what the trustees proposed to do. They had been engaged in

negotiations with the owners of the property at present occupied, and they had also had under consideration various other sites, and, indeed, had secured a very favorable option upon a most desirable tract of land, which they had practically decided to take in case the negotiations above mentioned should fail. We are happy to say, however, that we have at last come to an agreement whereby we are to take the twenty-five acres known as the St. Mary's tract, at the price of \$50,000 (fifty thousand dollars), of which ten thousand dollars is to be paid in cash when the sale shall have been confirmed by the court.

The Trustees of St. Mary's School, in view of all the foregoing facts, request the Convention of the Diocese of North Carolina to adopt the following resolutions :

Resolved 1. That the Convention of the Diocese of North Carolina hereby approves the Act of Incorporation of the Trustees of St. Mary's School, and accepts the trustees named in that Act, and elected in pursuance thereof, on the part of this Diocese, as the representatives of the Convention in that capacity.

Resolved 2. That this Convention does hereby approve the action of the Executive Committee of the Board of Trustees in purchasing the school property as set forth in the foregoing report.

Resolved 3. That the fund in the hands of the Treasurer, known as the "Fund for the Education of Children of Deceased Clergymen," be increased to three thousand dollars from the Mary Ruffin Smith fund, and that said fund, so augmented, be put at the disposal of the Trustees of St. Mary's School, upon condition that they shall establish in the school a scholarship to be known as the Mary E. Chapeau scholarship for the free education of a daughter of a deceased clergyman of the Diocese of North Carolina, the nomination to be in the hands of the Bishop of the Diocese of North Carolina.

Resolved 4. That the remaining portion of the Mary Ruffin Smith fund be placed at the disposal of the Trustees of St. Mary's School, and that, in consideration of the use of this fund, they shall establish one free scholarship in said school for residents of the Diocese of North Carolina for each three thousand dollars received from said fund, to be called the "Mary Ruffin Smith Scholarships." The nominations of the said scholarships to be in the hands of the Bishop of the Diocese of North Carolina.

R. H. LEWIS,

For the Board of Trustees.

On motion, the report was made the Order of the Day for 4 o'clock this afternoon.

The Rev. F. W. Hilliard offered the following resolution which was unanimously adopted by a rising vote:

WHEREAS, The members of this Convention have heard with deep sorrow of the death, during the past year, of the Rev. Joseph C. Huske, D.D., of Fayetteville, in the Diocese of East Carolina, long an honored Presbyter of the undivided Diocese of North Carolina: therefore

Resolved, That in the death of Dr. Huske the Church in North Carolina has seen transferred from earth to Paradise one of the choicest, purest, noblest, most loving and consecrated spirits ever found in the ranks of her clergy.

Resolved, That the Secretary of this Convention be requested to transmit this preamble and resolution to the Secretary of the Convention of the Diocese of East Carolina, with the assurance of our profound sympathy in the loss incurred by the Church in that Diocese.

On motion, the Convention took a recess until 4 o'clock.

THURSDAY, May 13, 4 P. M.

The Convention reassembled.

The Rev. Dr. Murdoch called for the Order of the Day, being the consideration of the report of the Special Committee on a Provincial Organization for the State of North Carolina.

After some discussion, the final disposition of the report was, on motion of Mr. H. A. London, postponed until the next Convention.

At the suggestion of the Bishop, the business of the Convention was suspended in order to enable the Rev. James H. Lamb, D.D., to make an address in regard to the Clergymen's Retiring Fund Society, of which he is the Financial Secretary.

Business having been resumed, the Rev. Dr. I. McK. Pittenger presented the following report:

The Committee to whom was referred that portion of the Bishop's Address which refers to the Memorial from the Missionary Jurisdiction of Asheville, relative to the property and fund known as the Ravenscroft Associate Mission and Training School, beg leave to report as follows:

It is the unanimous opinion of the committee that the position taken by the memorialists is correct, and the committee recommend that their request be granted in accordance with the suggestion and advice of the Bishop. They therefore beg leave to offer the following resolution:

Resolved. That the Trustees of the Diocese be and they are hereby directed to transfer to the Trustees of the Missionary Jurisdiction of Asheville, all rights and titles held by them relative to the property situated in Asheville and known as the Ravenscroft Associate Mission and Training School, and the funds connected therewith.

I. McK. PITTINGER,

Chairman.

The resolution was adopted.

From the same Committee, the Rev. Dr. Pittenger presented the following report:

The Committee to whom was referred the resolution of Mr. Chas. E. Johnson, relative to the support of the Episcopate on the part of the Missionary Jurisdiction, respectfully report as follows:

The Committee are of opinion that so long as the Bishop of this Diocese, by the appointment of the Presiding Bishop, continues to preside over the Jurisdiction of Asheville, the members of that Jurisdiction must expect to contribute to his support: they, therefore, beg leave to offer the following resolution:

Resolved. That it is the sense of this Convention that so long as the Bishop of North Carolina shall continue to exercise Episcopal oversight of the Jurisdiction of Asheville, the Jurisdiction should contribute towards his support, from October 1, 1896, at the rate of five hundred dollars per annum, together with the income derived from the funds known as the Ravenscroft Fund and the Hicks Fund.

I. McK. PITTINGER,

Chairman.

The resolution was adopted.

The Rev. B. S. McKenzie moved to reconsider the vote postponing the consideration of the report of the Committee on Provincial Organization, but, on motion of Mr. Charles M. Busbee, the proposal was laid upon the table.

On motion of the Rev. Charles L. Hoffmann, the report of the Committee on Canons, in regard to a change of time for the election of vestries, was taken up.

Mr. John Wilkes moved to amend the resolution by the omission of the words *in the same week*.

The amendment was carried, and the resolution as amended was, on motion, adopted.

On motion of the Rev. Julian E. Ingle, the following resolutions were adopted:

Resolved. That the Committee on Canons be requested to consider the expediency of amending Article III. Section 3. of the Constitution, by adding the words *or to any clergyman incapacitated by age or infirmity for regular parochial work.*

Resolved. That the Committee on Canons be requested to consider the expediency of amending Rule of Order XIV. by adding the words: But if the vote be unanimous it shall suffice to record the number voting in each Order; and unless the vote of a Parish be equally divided, it shall suffice to record the vote of the Parish and that of any dissenting delegate.

On motion, the Convention took a recess until 8:30 o'clock, in order to visit St. Mary's School.

THURSDAY, May 13, 8:30 P. M.

The Convention met at the appointed time.

The Rev. Wm. Walker presented the following

REPORT OF THE CHURCH BUILDING COMMITTEE.

The Church Building Committee beg leave to report that the state of the Church Building Fund, as shown by the Treasurer's report, is as follows:

Balance from last year	\$ 97 92
Contributions to Fund	26 81
	<hr/>
	\$124 73
Less Treasurer's commissions	1 34
	<hr/>
Balance in hand	\$123 39

No appropriations have been made from the fund during the past year. The Committee would again urge that the Canon requiring an offering from all Parishes and congregations to this fund be complied with.

Ten Parishes and Missions contributed to the fund during the past year, and in very small sums. If the Canon were obeyed, we might have such a fund as would materially help small and struggling Missions.

The third resolution was adopted.

The fourth resolution was adopted.

The Committee further reported the following preamble and resolution, which, on motion of Mr. Richard H. Battle, were unanimously adopted:

WHEREAS, The present Rector of St. Mary's School, following the example of his sainted father, who, from the year 1842 to the day of his death in 1877, so ably and successfully conducted its affairs, has given his time, his talent and of his private means for the education of the daughters of the church—

Resolved, That the Convention of the Diocese of North Carolina, in assuming the control of St. Mary's School through a Board of Trustees, desires to express its sense of the obligation it feels to the Rev. Bennett Smedes, D. D., for the work he has so unselfishly done for the good of the Church in this and other Southern Dioceses during the last twenty years.

R. H. BATTLE.

On motion, the Convention then adjourned to meet at 9:30 o'clock on Friday morning.

The Bishop appointed as members of the Special Committee, the Rev. Julian E. Ingle, the Rev. John F. George, Mr. Chas. E. Johnson and Mr. G. C. Lamb.

Mr. Wm. A. Smith, from the Committee on the Church School for Boys at Salisbury, presented the following report:

Examination shows a valuable property, the title to which is in a Trustee, and on this property there is a mortgage debt of \$3,000.

Your Committee think it advisable to have the title transferred to the Trustees of the Diocese, a body corporate, under the laws of the State, to hold title to the property of the Church. Your Committee are of the opinion that it may become advisable to sell a part of the realty in lots to discharge the mortgage debt ; they therefore offer the following resolutions :

Resolved, 1st. That the Trustee be requested to transfer the title to the property of the Church School for Boys in Salisbury to the Trustees of the Diocese.

2d. That this Convention elect a Board of Trustees, consisting of three members, to take charge of said property and school, to hold office for the term of three years, their successors to be elected triennially.

3d. That the Trustees of the Diocese be directed to sell and execute title to any lot or lots that the Trustees of the School think advisable for the purpose of paying off and discharging the mortgage debt.

Respectfully submitted,

W. A. SMITH,
For the Committee.

The Secretary offered the following resolutions, which were unanimously adopted :

That having learned that our beloved Bishop expects to attend the meeting of the Bishops of the Anglican Communion, to be held in England during the coming Summer, the members of the Convention desire to express their hearty concurrence in his purpose, and trust that while he enjoys the benefits, both to himself and to his work, afforded by intercourse and counsel with his brethren, he will also take ample time for needed recreation after the laborious years so faithfully spent in the discharge of the duties of his Episcopate.

The Committee on Canons, to whom were referred the resolution of the Rev. Mr. McKenzie on the subject of Memorials, that of Mr. R. H. Battle on Parochial elections, and that of the Rev. Mr. Osborne, proposing a change in the manner of paying the salaries of the Clergy, have considered the same, and beg leave to offer the following resolutions :

1. *Resolved*, That the following Canon be enacted by this Convention, to be numbered Chapter III. In offering the first resolution reported by the Committee, Dr. Murdoch proposed as an amendment the following addition :

Provided, That when there is no Rector or Minister in charge, or when there is no Vestry, the consent of the Ecclesiastical Authority of the Diocese, together with that of the Vestry, or together with that of the Rector or Minister in charge, shall suffice.

The amendment was agreed to, and the resolution, as amended, was adopted.

The President of the Convention took the chair.

Mr. R. H. Battle moved that the Convention proceed to the consideration of the report of the Executive Missionary Committee. The motion being agreed to, the Rev. Thomas E. Winecoff, the Executive Secretary, read the following

REPORT OF THE EXECUTIVE MISSIONARY COMMITTEE.

The Executive Missionary Committee respectfully report that they have met four times during the year and transacted the necessary business. During the first quarter stipends were paid to seventeen missionaries specifically, and the sum of \$200 was appropriated for the use of the Bishop at his discretion. For the second quarter the same number and amount of stipends were allowed, though one missionary was dropped from the former list, and one added. For the third and fourth quarters appropriations were made to fifteen missionaries specifically, and \$175 per quarter for use at the Bishop's discretion. The entire amount appropriated, including the salary of the Executive Secretary, was \$2,845. Up to October 1, 1896, this report includes appropriations made to the Jurisdiction of Asheville, but since that date, only the receipts and expenditures for the Missions of this Diocese.

While fully realizing that in some few cases it may be impracticable to use the pledge system, and appreciating the efforts of those clergymen who have faithfully tried the system, the Committee would urge upon all the Clergy and laity of the Diocese renewed diligence in the employment of this system, recommended by successful experience and required by Canon.

The Committee would also urge that all information asked for through its Secretary be furnished by the Clergy promptly.

[The rest of the report of the Committee is omitted in this place, since it consists entirely of statistics of appropriations and contributions, all which are contained in the report of the Treasurer.]

On motion of Mr. John Wilkes, the Convention went into Committee of the Whole, Mr. Henry A. London in the chair, to consider the report of the Executive Missionary Committee. The committee rose, reported progress and was given leave to sit again.

The President took the chair.

Resolved. That the church property in Mocksville be now placed in the hands of the Trustees of the Diocese.

The Rev. Mr. Bailey was, on motion, excused from further attendance.

Mr. Wm. A. Smith moved that the Convention go into the election of Trustees for the Boys' School at Salisbury. The motion being carried, Mr. Smith nominated the Rev. Dr. Murdoch, the Rev. S. S. Bost and Mr. Theodore Buerbaum.

There being no other nominations, the Secretary was, on motion, requested to cast the ballot of the Convention, and they were declared elected.

The Rev. Charles L. Hoffmann offered the following resolution, which was adopted :

Resolved. That the members of the Convention of the Diocese of North Carolina appreciate and are grateful for the pleasant and inspiring hours spent on Thursday evening in the historic precincts of St. Mary's School, on the invitation of the Rector, the Rev. Bennett Smedes, D.D., and that this expression be emphasized by the Convention in a rising vote.

On motion of the Rev. B. S. Bronson, it was

Resolved. That the thanks of the Convention are hereby extended to the Rev. Dr. Lamb for his address yesterday, in regard to the work of the Clergymen's Retiring Fund Society.

The Rev. Dr. Murdoch presented the following

REPORT OF THE COMMITTEE ON CANONS.

The Committee on Canons, to whom were referred the resolutions of the Rev. Mr. Ingle in regard to the expediency of amending Article III, Section 3 of the Constitution, and Rule of Order XIV, beg leave to report that they have considered the same and offer the following resolutions :

Resolved. That Rule of Order XIV be amended by adding the words : But if the vote be unanimous it shall suffice to record the number voting in each Order; and unless the vote of a Parish be equally divided, it shall suffice to record the vote of the Parish and that of any dissenting delegate.

Resolved. That it is inexpedient to amend Article III, Section 3 of the Constitution, by the addition of the words : or to any clergyman incapacitated by age or infirmity for regular parochial work.

The resolutions were adopted.

The Rev. Walter J. Smith presented the following

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

The Committee on the State of the Church would respectfully report that while the Parochial reports of the various Parishes and Missions show a falling off in contributions, owing partly to the depressed financial condition of the country, and partly to the indifference of both

pastor and people as to the canonical requirements in regard to collections, yet there is a decided improvement in other respects as compared with the report of the previous year. The decrease in the number of confirmations, as well as a part of the decrease in contributions for Diocesan Missions, is due to the fact that the Bishop had to cancel quite a large number of his appointments in order to solicit funds for the establishing of St. Mary's School upon a firm and secure basis—a work which he considered the most important which would be brought before this Convention.

Your committee would most earnestly impress upon the clergy of the Diocese the importance of sending in their annual reports at the time and in the manner required by the Canon, for surely it must be evident to all that it is utterly impossible to present a full and complete statement of the condition of the church without prompt and accurate returns from all the congregations. The report of the Archdeacon shows improvement in the work among the colored people—the large number of Parochial schools being an evidence of the wisdom with which the foundation for future work is being laid. The Thompson Orphanage—that truly Christlike charity—claims the sympathy and interest of the church people in the whole State at all times, but especially at the present when it is seeking to enlarge its usefulness by the employment of more teachers, and the erection of an infirmary and other needed additions to its buildings. The two hospitals at Charlotte—St. Peter's and the Good Samaritan—continue to obey the Divine command to care for the sick and the maimed, and how well they are doing it is amply testified by their reports. The character of the work done at St. Augustine School can be best learned by a visit to that time-honored institution, where the hand, the heart, the mind, the soul are all trained with regard to the destiny they are to fulfil. To quote from the Bishop's address, "The Woman's Auxiliary, the Daughters of the King, the Brotherhood of St. Andrew—all of them organizations manifesting the life and power of the church in good works—are here to speak for themselves." How well they are doing it is fully testified by the number and enthusiasm of the delegates present. These organizations are all well equipped for the work they have undertaken, and the past year in many respects has been full of encouragement. Let them move forward into the coming year in orderly array, with the confident hope that, with God's blessing and guidance, they will accomplish even greater things than they have in the past. The Babies' Branch of the Woman's Auxiliary is not here to speak for itself, but it has spoken very effectively in the homes of the little ones, as is shown by the number of pennies that have been dropped by the tiny hands into the missionary treasury.

While commending the whole of the Bishop's address to the consideration of the clergy and laity of the Diocese, your committee would

call special attention to his suggestion in regard to the formation of St. Mary's Alumnae Association, and also to his request that in view of the approaching Lambeth Conference the clergy of the Diocese shall, during the month of July, use the prayer appointed to be used during the meetings of the Convention, the prayer for the Unity of God's people, and the prayer for Missions.

In order to bring these suggestions in regard to St. Mary's to the attention of all the people of the Diocese, your committee think it would be well if the Bishop would issue a circular letter setting forth exactly his wishes in regard to it.

The Treasurer's books show a very satisfactory condition of the Diocesan Missionary Fund, and in conclusion your committee cannot too earnestly commend the present monthly pledge system of raising money for that object. Were this plan heartily adopted by all the congregations, the missionary work of the Diocese would be given a life and vigor which it has never felt before. As a helpful missionary agency the *Messenger of Hope* is warmly endorsed, and the clergy and laity are called upon to do what they can to increase its circulation and usefulness.

W. J. SMITH,

Chairman.

The Rev. Junius M. Horner presented the following

REPORT OF THE FINANCE COMMITTEE

The Finance Committee beg leave to report that they have examined carefully the schedule of assessments for the Episcopal and Contingent Fund, and recommend the reduction of assessments in the case of several Parishes and Missions as indicated in the accompanying schedule. They recommend also the remission of certain sums charged as arrearage, as follows:

Charlotte, St. Peter's, \$85; Greensboro, St. Andrew's, \$24; Kittrell, St. James', \$15; Louisburg, St. Paul's, \$17; Monroe, St. Paul's, \$5; Oxford, St. Stephen's, \$75; Scotland Neck, Trinity, \$10; Walnut Cove, Christ Church, \$13; Farintosh, Salem Chapel, \$26.

This reduction is made possible without embarrassment by the resolution passed in this Convention to ask the Jurisdiction of Asheville to contribute towards the Bishop's salary sums amounting to about \$1,000.

Your Committee also recommend that the Parishes be asked to be more prompt in paying these assessments *quarterly*, and not to defer payment until the end of the year.

Your Committee have considered the report of the "Trustees to hold Property for the Diocese of North Carolina," referred to it, and approve of the course pursued by that Board in the management of the property placed in its keeping.

Your Committee recommend that the Chapel of St. Mary the Virgin,

Charlotte, be released from all charges for the Episcopal Contingent Fund, and that a small assessment of not less than \$2.50 be placed upon every Mission Station visited regularly by the Bishop. The schedule is arranged in accordance with this recommendation.

As there is in the Episcopal and Contingent Fund a deficiency of \$2,755.86, it is necessary that those Parishes which are in arrears should realize their responsibility and remit their assessments as soon as possible.

Respectfully submitted,

JUNIUS M. HORNER,
Chairman.

(For Schedule of Assessments see Appendix D.)

On motion of Mr. R. H. Battle, the report, including the Schedule of Assessments, was adopted.

The Rev. James F. Plummer, on behalf of St. Stephen's Church, Oxford, invited the Convention to hold its next Annual Meeting in that place in the month of June, 1898.

Mr. G. C. Lamb, in the name of the Vestry of the Church of the Holy Innocents, Henderson, extended an invitation to the Convention to assemble there on the 11th day of May next. The latter date being considered more convenient for the purpose, it was, on motion,

The Convention, on motion, proceeded to the election of certain Committees, as follows :

The motion was agreed to.

The *Gloria in Excelsis* was sung, the Bishop offered prayer and pronounced the Benediction, and the Convention adjourned.

APPENDIX A.

ADDRESS OF THE BISHOP.

Brethren of the Clergy and Laity:

Each hour has its special burden of duty and of responsibility, and the present is always big with the opportunities and possibilities for the future. I never face this annual gathering of my dear friends, brethren and fathers in Christ, without an increasing sense of my insufficiency for the burden laid upon me, and an anxious hope that, as we all depend upon the goodness and love of God in our efforts for His Church, so you would especially give your loving help and forbearance to one who is your servant for Christ's sake. The world waits for us to do for it the work which our Master has sent us to do. Part of that work lies before us now as we begin the Eighty-first Annual Convention of the Diocese of North Carolina.

The following is a chronological list of Episcopal visitations and other ministrations in the Diocese for the year ending April 30th last past. During the year covered by the foregoing list, I have officiated within the Diocese one hundred and thirty-one times, administered the Holy Communion forty-one times, preached eighty-two sermons, delivered forty addresses, confirmed two hundred and sixty-eight persons, baptized twelve adults and seven infants, officiated at three funerals and at six marriages. The decrease in these totals, as compared with Episcopal ministrations of former years, is due partly to the fact that I had to cancel my engagements in the midst of my most important visitation this spring and devote the time to the business of St. Mary's School, but it is chiefly owing to the decreased size of the Diocese since the creation of the Missionary Jurisdiction of Asheville, coupled with the fact that being still in charge of that Jurisdiction, I am unable to bestow any greater time or labor upon my smaller field.

I have during the year covered by this address made a very thorough visitation of the Missionary Jurisdiction, devoting to that work almost the whole of my time from the middle of June to the first of October, with several special visitations at other times. Leaving out of account the months of May and October, which seem to be as a rule almost wholly absorbed by Diocesan and general church business, meetings of Conventions, of the House of Bishops, etc., and considering the impossibility of making visitations

during mid-winter, it will be seen that about one-half of the time during which visitations are practicable is given to the Jurisdiction of Asheville.

During the year I have officiated a number of times beyond the limits of my own Jurisdiction, but never except when my duty to the Diocese or to the Church seemed to require my absence. In July and August I was for ten days in attendance upon the meeting of the Trustees of the University of the South at Sewanee. In October I attended, in the city of New York, a special meeting of the House of Bishops and a meeting of the Commission on Work among the Colored People of the South. On the Feast of the Purification I had the pleasure, by appointment of the Presiding Bishop, of taking part in the Consecration of my friend, the Rev. Dr. Morrison, as Bishop of Duluth, in the noble Cathedral Church of All Saints, Albany, as one of the Presenters of the Bishop-elect.

During the year I have consecrated three churches. May 10th, the fifth Sunday after Easter, I consecrated St. Mark's Church, Mecklenburg County, being assisted in the services by a large number of the Clergy who had remained over in Charlotte from the Convention. The petition for consecration was read by the Rev. John H. Griffith, Jr., Deacon in charge, and the sentence of consecration by the Rev. Edwin A. Osborne, by whose exertions the church had been built. I claimed for myself the privilege of preaching the sermon on the occasion, which was the happy consummation of hopes and efforts which had their first expression in services begun by me in a neighboring school house in the latter part of the year 1883.

October 18th, the twentieth Sunday after Trinity, I consecrated St. John's Church, Battleboro. The petition for consecration was read by the Rev. Gaston Battle, Deacon in charge, and the sentence by the Rev. Elliott White, of the Diocese of Newark, who also preached the sermon. To Mr. White's faithful labors we owe, under God, the establishment of this congregation and the building of the church. At my earnest request he came from his home and his duties in Newark to preach the consecration sermon, and to gratify his many friends by his presence. The Rev. Messrs. Poffenberger and McKenzie also assisted in the service.

December 13th, the third Sunday in Advent, I consecrated All Soul's Church, Ansonville. The petition for consecration was read by Mr. William A. Smith, and the sentence by the Rev. Edwin A. Osborne. The Rev. Mr. Hoffman,

of St. Peter's Church, Charlotte, preached the sermon. The Rev. Charles Fetter also took part in the service.

During the past year I have organized the following Mission congregations, under the Diocesan Canon :

December 12th. All Souls' Church, Ansonville, under the charge of the Rev. Charles Fetter.

December 15th. St. Cuthbert's, in the suburbs of Greensboro, under charge of the Rev. Horace W. Jones.

January 7th. St. Jude's, Rowan County, embracing so much of Locke Township as lies west of a line drawn parallel with Grant's Creek, one mile west thereof, under charge of the Rev. Sidney S. Bost.

The following changes in our Clergy list are to be noted:

I preached the sermon. The Rev. Drs. Davis, Marshall, and Murdoch, and the Rev. Edwin A. Osborne united with me in the imposition of hands.

The Rev. Henry T. Gregory is resident at Southern Pines, in charge of Emmanuel Mission.

The Rev. F. Cecil Bayliss, of the Diocese of Florida, has become Rector-elect of St. Timothy's Church, Wilson.

The Rev. James H. Williams continues his excellent work at Madison, Walnut Cove and Germanton. I have also put under his charge Mount Airy, Mocksville and High Point.

I must again call the attention of the Clergy to the requirement of the Canon that all lay readers' licenses should be renewed annually. All licenses in this Diocese expire on Easter Monday. Since Easter Monday, 1897, only twelve have been renewed for the whole Diocese.

October 9th, I laid before the Standing Committee, whom I had called together for that purpose, the reasons why it seemed to me impossible, in the present condition of our Diocesan affairs, to carry on with any real advantage the scheme of a Cathedral organization. The great extent of the Diocese, the general weakness of its numerous but very widely scattered congregations, the want of any very strong and opulent centre of church strength, the lack of endowments, seemed to me to combine to render ineffectual any attempt at present to centralize the administration of our Diocesan work. And just at this time the imperative duty of uniting every effort in behalf of our Church School for Girls seemed to make the attempt to effect a Cathedral organization wholly impracticable. After a full and free conference between the Standing Committee, the Rector of the Church of the Good Shepherd and myself, the Committee advised unanimously that I rescind the action by which I had adopted the Church of the Good Shepherd, Raleigh, as my Cathedral Church and effected a provisional Cathedral

organization; and thereupon, in accordance with the resolution of the Convention of 1896, recorded on the twenty-fifth page of the printed Journal, I did then and there declare the said action rescinded, and caused a minute thereof to be entered upon the records of the Standing Committee. I should add that this action was with the concurrence of the of the Rector of the Church of the Good Shepherd.

There is another very important matter connected with our last year's proceedings, which it is my duty to notice. In my address to the Convention of 1896, while urging the Convention to convey to the Jurisdiction of Asheville so much of the property in Asheville as should be amply sufficient for all the needs and purposes of the Ravenscroft Associate Mission and Training School, I recommended that the remaining portion should be disposed of for Diocesan purposes. The action taken last year seemed to be based upon this my recommendation. Though the Clergy and Laity of the Jurisdiction seemed disposed to acquiesce in the action of our Convention, yet there were some who thought that we had acted under an erroneous view of the merits of the case. Accordingly Commissioners were appointed on the part of the Jurisdiction for the purpose of presenting their views to the Diocese of North Carolina. I have myself had full Conference with these Commissioners, and I am obliged to say that I have become thoroughly satisfied that I was wrong in my position last year, and that I now think we should convey the whole of the Ravenscroft property to the Jurisdiction of Asheville. The consideration which has forced me to this change of conviction on this subject is this: In 1883 the question was raised, whether this property should be divided in the interest of the newly created Diocese of East Carolina. This Convention adopted a report in 1884 which asserted that the Ravenscroft property was held for a purely local purpose and, therefore, should not be divided with East Carolina. In this report, so far as the point now under consideration was concerned, the Diocese of East Carolina concurred, and that Diocese made no claim to any part of the property. After this we cannot now maintain, as I argued last year, that this is general Diocesan property, part of which we may retain for Diocesan purposes.

I hope I may be pardoned for adding in my own behalf, since it happens that I myself wrote the report of 1884, that this point of the local character of the property being generally acquiesced in occasioned no discussion, whereas other

parts of the report gave rise to much heated debate. The consequence was that this particular point, which has now become crucial, had entirely escaped my memory. When it was pointed out to me by one of the Lay Commissioners on the part of the Jurisdiction of Asheville, I at once recognized and admitted its decisive, and even conclusive, force as bearing upon the matter now in question.

In regard to the most important and interesting part of our business of last year, the effort in behalf of the permanent establishment of St. Mary's School, I need say the less in this place, since the whole subject will be fully brought before you in the report of the recently incorporated Board of Trustees. We are all agreed that no matter of mere legislation is comparable in importance with this practical work of securing the continuance and prosperity of this institution. I trust that this Convention will put above every other duty that of effecting this purpose, which it has set before the church people of North Carolina. At the request of the Board of Trustees I laid aside my proper episcopal duty, broke off from my work in the midst of my most interesting and important visitations of the year, and spent more than a month in endeavoring to arouse the interest of our people in this cause. I cannot feel that I fully improved my opportunity, or that I accomplished all that should have been done, but at least I saw enough to convince me that the church people of the State of North Carolina are ready to sustain us in this work. We should raise not less than one hundred thousand dollars for the purpose of providing an endowment and proper grounds and buildings. I propose to appeal directly to our people generally for one-half of this sum. When the Trustees are prepared to say definitely what they propose to do in the matter of grounds and buildings, I believe that our people will enable them to do what is needed. In the meantime I have appealed to the women of North Carolina, and especially to those trained in St. Mary's School, to raise fifty thousand dollars for an endowment to be known as "*The St. Mary's Alumnae Association Fund.*" In order to stimulate and concentrate the interest of the women in this scheme I have instituted the "*Order of the Patrons and Daughters of St. Mary's.*" I desire to find fifty women who will give five hundred dollars each, either in cash or within some specified time agreed upon, who shall, in consideration of this gift, be enrolled as "*Patrons of St. Mary's;*" and I desire to find two hundred and fifty women to be

enrolled as "*Daughters of St. Mary's*," in consideration of similar gifts of one hundred dollars each. I cannot but believe that the long lists of names signed to the Memorial laid before us last year at Charlotte represented a real interest in St. Mary's School, and a devotion ready to show its faith by its works. Many of St. Mary's most faithful friends and alumnae cannot give either of the amounts specified above, but many of them can do so if their hearts be truly engaged. Already a number of "*Patrons of St. Mary's*" have been enrolled, and a much larger number of "*Daughters*." Can we not double the number of both during this Convention?

In my work for St. Mary's School, I have visited in this Diocese Tarboro, Rocky Mount, Raleigh, Charlotte, Lexington, Burlington, Germanton, Hillsboro, Durham, and Henderson. In the Diocese of East Carolina, by the request and invitation of Bishop Watson, who is in entire and hearty sympathy and accord with us, as is also his faithful Diocese, I visited Fayetteville, Wilmington, Newbern, Goldsboro, Washington, and Edenton. I have also visited Asheville on the same errand. In almost all these places I spoke to the people of St. Mary's School, either in church or in other public assembly, and also to smaller meetings of the women of the several Parishes, and also visited from house to house. I was everywhere received with most gratifying evidences of interest in my mission, and much as I regret having to leave some of my congregations unvisited during the past Convention year, I do not feel that I did wrong in yielding to the request of the Board of Trustees.

You will have before you the annual reports of the Board of Managers and of the Superintendent of the Thompson Orphanage and Training Institution. I can give my testimony, from personal observation, that its good work goes on with increasing blessings for the State and for its helpless, indigent orphans. Its special needs and opportunities will be laid before you in these reports. If we can make this Convention a means of building up such institutions as the Thompson Orphanage and St. Mary's School, we shall do better than to limit our efforts to matters of legislation and administration.

The Woman's Auxiliary, the Daughters of the King, the Brotherhood of St. Andrew, all these organizations, manifesting the life and power of the church in good works, are here to speak for themselves. I need therefore give the less time in this address to their work.

Of our missionary work, so far as it may come before the Convention for action, I cannot speak very confidently. Since October 1st, 1896, we have been separated in our missionary work from the Jurisdiction of Asheville, which for many years past had been so great a part of it; and since that date we receive no assistance from the Domestic Committee of our General Missionary Board. In order that we might make the fairer beginning on this new course, and in consideration of the fact that for many years this part of the Diocese had, to a very great extent, borne the burden of the missionary work of the West, I directed our Treasurer, in closing his accounts the first of last October, to pay off the balance due on account of Diocesan Missions out of a cash balance on hand of the Hix Fund. I had a perfect right to do this at my own discretion in any case, but there was this special reason for it, that I had been for two years paying out of our general funds missionary salaries in the West specially chargeable on the Hix Fund, so far as that has any special character.

It will be important and interesting to learn from the Treasurer's report to this Convention how we have borne the burden of our missionary work during the six months ending March 31st, but at the time of writing this Address his report has not been printed.

A proposition will be made in this Convention, as I am informed, to change the method of administering our Diocesan Missions, and to put the whole work into the hands of the several Convocations, under the direction of the Bishop. This plan presents many obvious advantages, and would probably result in stimulating and developing the work very greatly, provided that the Convocations be able to carry it on. The chief objection which occurs to me, is that it may result in depriving the weaker portions of the Diocese of the assistance rendered under present arrangements by the stronger. At present the Convocations seem to have no real function in our Church life. I should be glad if they could be made more efficient and useful.

We should be devoutly thankful for the Divine blessing which has brought us through this year, and to another Convention with the ranks of our Clergy unthinned by death. We have had another year of opportunity and of privilege. But though we of the Clergy have been spared, God's Kingdom of Rest has not lacked its annual enrichment of those noblest and best of earth who have here been prepared for Him. The Diocese of North Carolina has to be thankful

for the good examples of many of those who, having finished their course in faith, do now rest from their labors. As of others, so especially is this true in the case of that noble layman, the late Alexander Brodnax Galloway, of Elkin, recently taken from us. I make mention of him not because he remembered the Church and Diocese most liberally in the disposition of his estate, though that were cause sufficient in these days of indifference to such duty. He has a much greater claim upon our loving memory. He lived for many years removed from the privileges of the Church and its worship, with very infrequent opportunities of receiving its sacraments and ministrations; and his faithful devotion to the Church meant for him real hardship and suffering, to which a man of a less firm and tender nature would have been indifferent or insensible. But he never wavered in his devotion to truth and duty, and he never lost the sweetness and gentleness of his Christian charity for all. Some of us will never forget how, some years ago in this Convention, after an acrimonious debate upon a matter of great importance to the Diocese, he rose, and with the simplicity of a child reminded us that we should take at least a few moments to pray for God's guidance, before deciding such a matter. He is in peace in that life for which God had fitted him.

I will name two others lately taken from us, Mrs. Martha Elizabeth Lewis and Mrs. Frances Lennox Johnson, both of Christ Church, Raleigh. They were among the last of their generation, both from families identified with the Church in North Carolina from its very beginning, we may say, and both noble examples of that womanhood out of which has come all that is best in our life and society of to-day. Without undervaluing the good things of the present, we may yet believe that there was a beauty and sweetness peculiar to that old life of our country which the war swept away. The sphere of woman in those days was perhaps more contracted than it is now, but those of us whose ideals of womanliness were formed upon such women as those whom I have named, and others of their kind whom I will not trust myself to name, shall never again see anything in this world which shall seem quite the same to us. Culture without consciousness; dignity without affectation; ability to deal successfully with practical affairs, coupled with unaffected humility and grace, which made their subjection to their husbands their greatest power and their greatest happiness; a mother's eye and hand to guide and to develop

their sons into noble men, while they remained the gentlest of women, and piety which never examined itself to find out its own excellence—these were some of the qualities which made up their characters. Their noble ambition was to do their duty in that state of life to which it had pleased God to call them; and they thought that God had made the bearing and rearing of children their greatest honor and their highest joy. Such were the holy women of old of whom St. Peter wrote, and such were our mothers in this fair land. May God continue their kind, and purge out of our boasted civilization all that is contrary to it!

I cannot conclude without referring to the Conference of the Anglican Episcopate to be held in London during July and August next. The Archbishop of Canterbury has sent invitations to all Bishops of the Church of England and of the American Church to meet at that time to take counsel together for the common interests of the Church. To accept that invitation and to make that distant journey, involves a vast amount of trouble, of expense, and the prolonged absence from their pastoral work of all those who attend the Conference. It may well be asked, what practical good can be accomplished to justify this? When I look at my own field and see work all around me calling to be done, I do not see how I can justify myself in so prolonged an absence. And yet, when I lift up my eyes and look at the wonderful spectacle presented by the Anglican Church throughout the world, I feel that I cannot hold back when I am called upon to do anything towards accomplishing the great destiny which seems to be before us. One hundred years ago, besides the Bishops in England, there were seven in the United States and one, I believe, in Canada. That was all. Now two hundred and fifty in every continent and in the isles of the sea represent and continue the ancient Apostolic Church of our race. The English-speaking race is taking possession of this world, and at the present rate of increase it will be but a short time, as time counts in the life of nations and of the world, until the Latin peoples and the Latin Church, must yield in extent and influence to the Anglican. The Lambeth Conference aspires after no legislative power. It is what it calls itself, a Conference only. But it is a visible manifestation of the wonderful growth and expansion of the Church; it has been the means of increasing the power and influence of the Church for good in all parts of the world, by creating a unity of sentiment and of purpose in all its widely scattered branches; and, doubt-

less, it affords one of the most practical and ready methods whereby the Church in the future may be helped to see and to accomplish the great purposes which God has in store for us. It is my desire and purpose, if possible, to attend this Conference, and I hereby request the Clergy of this Diocese to use, during the month of July, with reference to this important meeting, the prayers used at the meetings of Convention, the prayer for the unity of God's people, and the prayer for Missions.

And now, my dear brethren, asking God's blessing upon our labors in His cause, and His pardon for our many faults and shortcomings, I submit this imperfect account of my own services and of the situation and needs of the Diocese.

JOS. BLOUNT CHESHIRE, JR.,
Bishop of North Carolina.

I wish I could say something encouraging as to the future prospect of St. Luke's. But thus far I have found little to encourage much hope for us in the near future. If we can hold on for a while, there may be developments in our favor, at least I so hope, in a few years. In a little more than a year we have lost by death a gentleman and his wife, who were ever liberal helpers at St. Luke's. And we sorely miss them. Another obstacle to us is, that several of our members live at such a distance from the church as seldom to be able to get there. And to add to all this, last year the farmers on the Roanoke river suffered great losses by freshets, and therefore find it no easy matter to meet their obligations.

The rector continues to receive the very timely and acceptable aid of Mr. Baldy A. Capehart as lay reader, by which St. James' is opened every Sunday for divine service. Marshall assisted the rector, Dr. Marshall preaching the sermon and the rector laying the stone; Dr. Carr, of Durham, making an address on the Church's work in the field of missions, and Captain J. At this place Mr. S. S. Nash keeps up a Sunday-school, and he is really doing a good work. And one of our great needs to-day, is of numbers of such faithful laborers for the Master as Mr. Nash is. Our church work would not then so languish and drag, for lack of means and men, as it now does. It is no little thing to go into a community where nearly everything is against us, and to organize a Sunday-school, get a church

built, get the people interested, and get in a fair way to securing a membership of a permanent sort, to hold the place and continue the work—and this is what Mr. Nash has done at Lawrence.

By appointment of the Bishop, I took charge of this work October 11, 1896. Since then I have visited it regularly once every month. Rev. The above statistical report is somewhat discouraging. There are certain aspects of the work, which it could not show, that are more cheering. This is true of the town of Monroe. At Waxhaw and Marshville, where the church may be said to have been utterly unknown, and where occasional services have been held during the past year, the congregations have been large and interested, and the people have been making some use of the Prayer Books left among them. The Bishop has been unable to make a visitation, but a class is preparing for Confirmation.

The condition of our work in Noise is such that it is difficult to give an exact statement of affairs. Churchmanship is far below the average, which is due largely to the former religious training of the people. There is a deep-seated hatred to the church and her ways. But the slowness with which the Mission advances, I trust, is a sure sign of permanency. We have suffered the loss of one of our Mission houses by fire. Some wakeful incendiary applied the torch on the 30th of January. The Mission house had not been finished, and it remains now for the Diocese to take those steps which will be most conducive to the preservation of that Mission Station.

A careful and thorough revision of the Communicant list, after nearly two years' Restorship, makes the present number, as reported, seventy-five. This includes all who have communicated at any time within the period of my incumbency. The difference between this number and the much larger number last reported, is classified as lost in course of years. The Horner Military School for boys, and the Francis Hilliard School for girls, while neither is canonically a Church institution, give this Parish exceptional advantage in the training of her youth, while the personnel of their Faculties renders each of them, in my judgment, unusually worthy the support and interest of Church people in general.

The Rev. J. M. Horner rendered the Parish valuable services in supplying the place of its Rector throughout the time of his illness in the summer of 1896.

The work of building the new church has progressed beyond my expectations. It is a heavy task for the Parish, which is now much weaker financially than it was when the work was first undertaken. We hope still, by God's blessings, to carry it on free from debt to a successful conclusion by the time of the dawning of the new century.

I have had sole charge of this mission until the last of March, when the Rev. J. B. Bailey was removed from St. Philip's, Noise, to take charge of it. I hope that, with a resident clergyman, the mission will grow. The school has been opened by Mr. Bailey, but as yet there is only a small attendance.

The school and Mission work at St. Saviour's Chapel is separately reported by the Assistant Minister, who has special charge of it. Monthly Sunday afternoon services are kept up at the Soldiers' Home, the Penitentiary and the Asylum for the Insane. As required by Canon, the Rector has also to report the marriage of a couple in Grace Church, Weldon, and of another in St. Matthias' Parish, Hillsboro, during vacancies in the Rectorship of those Parishes. He has also buried a child belonging to the Parish of the Good Shepherd, Raleigh, in the absence of the Rector; and assisted at the burial of an adult in Hillsboro, and of another at Pittsboro—the last mentioned being the widow of the late Robert B. Sutton, D. D., of blessed memory. Since the last Convention several handsome memorials of brass work have been placed in the church—organ lights, a hymn board, and a very beautiful Chancel Railing in memory of Mrs. Olivia Cowper Raney, and a Font Railing in memory of Mrs. Eliza Marshall Eberhardt.

I took charge of the Chapel of St. Saviour, as the Assistant Minister of Christ Church, on the 4th day of November, 1896. I have been greatly aided in my work by the faithful and efficient labors of Mr. James Iredell Johnson, Lay Reader and Sunday-school Superintendent. The Woman's Guild and the Children of the Cross have also been of very great service to the Mission. I officiate at Smithfield, Johnston county, one Sunday in each month. Arrangements have also been made for a monthly service at St. Peter's, Stovall, Granville county.

The list of communicants was carefully revised up to the date of this report. In addition to the services included in this report, the Rector conducted service and preached three times on shipboard while traveling abroad. He also baptized one candidate (adult) in the River Jordan, and presented him for confirmation to the Bishop of Jerusalem, and at the same time, upon the invitation of the Bishop, he preached in the Anglican Chapel at Jerusalem, and celebrated the Holy Communion according to the American use.

Subscriptions in addition to those reported here have been secured for the Bishop Lyman Memorial Church, amounting altogether to almost \$7,000.

Recently two memorials have been placed in the church, which are of a Diocesan character, viz., a pair of handsome standard lights, which are memorials respectively of Mrs. Anna Albert Lyman, wife of Bishop Lyman, and Mrs. Annie Webb Cheshire, wife of Bishop Cheshire.

In addition to the amount given in money to Diocesan Missions and to the Thompson Orphanage, two boxes were sent from the parish which aggregated in cash value \$87.

The offering for Missions to Jews was sent to the Rt. Rev. Dr. Blythe, Anglican Bishop of Jerusalem and the East, for his work at Jerusalem.

The work of the Parish is more encouraging than last year. Through the kindness of Archdeacon Walker, I am now able to have the Holy Communion celebrated once a month on Sunday, and also on other Holy days. In February last the Rev. Father Field of Boston, conducted a Mission for ten days in the Parish, by which we were all greatly benefited. One of the most important agencies in our work is the Parish school, by the means of which we are enabled to carry the teachings of the church into homes that otherwise would never have known them. We are, however, greatly in need of a good school building, where the children would be more comfortable and better work could be done. We are at present using an old building unfit for the purpose.

Richmond County Missions; the Rev. CHARLES FETTER, Minister in Charge.

I am now holding monthly services in Rockingham on the second Sunday, in the Odd Fellows' hall. There exists a very kindly feeling towards the Church. Our people are busily engaged in raising funds for the erection of a church building, and the citizens have responded generously in contributing to this fund. A very desirable lot has been donated by Capt. W. I. Everett. There are 12 communicants in Rockingham. Contributions to Minister's salary and expenses \$53.10.

I have been holding monthly services on Sunday in a chapel at Morgan's Factory, one mile from Laurel Hill, for more than a year. The

congregations are large. There are 11 communicants in that neighborhood. Contributions to Minister's salary and expenses \$137.29.

For the past eighteen months I have given services regularly once a month, (except on one occasion, when they failed to send for me), to St. Clement's, Ringwood. The services have usually been fairly well attended, and there is a good outlook for the Church. But at present the people are greatly depressed, on account of the poor crops of last year and the low prices of their produce.

I took charge of this Parish in October last. It had been without a Rector for two years, but the services had been kept up by the Lay Reader. No report of the services held by him is included in the above. I think he held one service every Sunday. We are holding services Sunday afternoons, and have a Sunday-school for the factory people in our chapel. We have between thirty and forty scholars here. I hold services also in Nashville one Sunday afternoon of each month, and the services here are well attended.

This is the trying time in the growth of Missions; when it dawns on the people that the Church has come to locate and to remain, and those who rely on numbers are discouraged. One unwilling to have it among them; the other, ashamed of the smallness of numbers, are willing to express their gloomy forebodings. There is no reason in this. The work is God's. Mightier is He who is with us than all against us. The work is fairly advancing.

The church is still held as private property, and we have the use of it only part of the time. The Congregationalists, who now use it afternoon and evening, are soon to build a house of worship, and we then hope to have entire control of the church and have it consecrated.

The Sunday-school is a branch of the Junior Auxiliary. Only eight of our communicants are residents of Southern Pines; four live at Aberdeen and two at Roseland. The minister in charge has held service on Sunday afternoons and week days at Pinehurst, where a number of communicants of the Church spent the winter. The offerings from Pinehurst are included in the above report.

That I might give more time to the work at St. Augustine's school. I was, in September last, relieved of the care of St. Matthias' Mission, Louisburg. In addition to the work at Warrenton, I have, under the direction of the Bishop, organized a Mission at Satterwhite, Granville County, where I preached three times, and baptized seven children. At Louisburg I preached eleven times, celebrated Holy Communion five times, and buried one child. At Pittsboro I preached two sermons and celebrated once. At St. Ambrose, Raleigh, I have preached eleven sermons, celebrated twice in public, and ten times in private. I continue to make monthly visitations to the Work-house, where I give instruction to the prisoners in both the white and colored wards. At St. Augustine's school, where I am actively engaged in teaching. I

either conduct or assist in conducting daily morning and evening prayer. I have preached there thirty-six times, celebrated eighteen times, baptized nineteen children (two in private) and six adults, and buried one.

The Rev. JOSEPH W. MURPHY, residing in Washington, D. C., reports as follows:

During the past winter I have been able to do very little work, but I enter on the forty-seventh year of my ministry reinvigorated. Since my last report, in nineteen different churches and chapels in the Dioceses of Washington and Maryland, I have officiated in fifty-seven services (in forty-nine by myself), celebrated the Holy Communion seven times, married one couple, and preached thirty-four times.

It is not much, but I am thankful that strength and opportunity are still granted me to work.

The Rev. FREDERICK TOWERS, residing in Cambridge, Massachusetts, reports as follows:

I beg leave to report that during the past Conventional year I have been all the time engaged in Parochial work under the license of the Bishop of Massachusetts, and am now minister in charge of St. Gabriel's Church, Marion, in this Diocese. I have been pleased to hear from time to time of the progress of the work of the Church in the Diocese of North Carolina, and I had expected ere this to have returned to engage in active work there.

REPORTS OF THE DEANS OF CONVOCATIONS.

Dean of Tarboro.

Since last Convention there have been three meetings of the Convocation—one at Scotland Neck, one at Rocky Mount, and one at Weldon, all of which were very encouraging. For the first time in the history of the Convocations of the Diocese a meeting of the Woman's Auxiliary was held in connection with the meeting at Scotland Neck, and doubtless it was due to the fact that it was one of the most successful meetings ever held by the Convocation of Tarboro. The same feature added much to the meeting held at Weldon. During the past year the Dean has made official visits to Weldon, Jackson, Enfield and Wilson.

The Evangelist of the Convocation continues to do good work.

W. J. SMITH, *Dean.*

Dean of Raleigh.

The Convocation of Raleigh has held two meetings within the year—one in St. Athanasius' Church, Burlington, June 23d, and one in St. Peter's Church, Stovall, October 6th. At the latter meeting it was made known that a number of influential colored people at Satterwhite were desirous of having a Mission established among them, and Mr. Benj. P. Thorp addressed the Convocation on the subject. Since that time monthly services have been held for them and a Sunday-school established. An acre of land has been deeded to the Diocese by Mr. Thorp for this Mission, and much of the lumber has also been contributed by him for the erection of a chapel on this land. The work is going forward and it is hoped to have the chapel ready for occupancy at an early date.

JULIAN E. INGLE, *Dean.*

Dean of Salisbury.

[No report.]

Dean of Charlotte.

The Convocation has met three times during the year, twice in Charlotte and once in Monroe. There are no vacant Parishes or Missions at present in this Convocation. The Rev. Mr. Gregory, of Southern Pines, has been added to the clergy list since last Convention. The Dean has conducted two Missions during the year, at St. Mark's, Mecklenburg County, and All Souls', Ansonville. The clergy have all manifested a willingness to add to their already numerous duties occasional extra work in the way of looking up those persons, scattered here and there throughout the counties, in any way connected with the Church. They have preached also from time to time in communities where there is no church or mission. We look forward to the coming year as one of increasing prosperity under the guidance of the Holy Spirit.

CHARLES L. HOFFMANN, *Dean.*

REPORT OF THE PRINCIPAL OF ST. AUGUSTINE'S SCHOOL.

By Canon 20, Sec. vi of Title I. of the Canons of the General Convention, "All incorporated schools are expected to report annually to the Bishop of the Diocese at the annual Convention."

St. Augustine's School, Raleigh, is one of two schools of any general character which the Church carries on for the training of colored young men and women. During the last year, the former Principal's house has been changed into St. Agnes Hospital and Training School for nurses. Six women have been under training as nurses. They, with their trained nurse, have made 223 visits to sick people in the neighborhood, thirty-five dispensary patients have been cared for, and seventeen patients treated in the hospital during the last six months. The Raleigh physicians have been most generous in their offers of services.

A Kindergarten has been carried on with sixty little children.

The number of students in the school has grown from 119 in 1890 to 308 in 1897, and the number of teachers from eight to sixteen. This year students have been received who work all day and go to school at night. A brick-laying class has been maintained, which has built the stone walls of our new Library building, plastered ten new rooms, and is now laying brick in the walls of the addition to the Lyman building, which will almost double its capacity. The Woman's Auxiliary of this Diocese has generously taken part in maintaining the school.

The last Legislature enabled the Trustees to add to their number members from other Dioceses, and the Rt. Rev. Henry T. Satterlee, Bishop of Washington, and the Rev. Joseph U. Blanchard, of Philadelphia, have consented to become members of the Board.

Some sixty-eight acres were added to the school farm on January 1, and the school land now embraces 110 acres, which is cared for by its own students.

The Bishop consecrated the new Chapel on the 11th of May, in the presence of a large congregation, including eleven of the clergy. At the same service he confirmed fifteen of the students.

A. B. HUNTER.

Raleigh, May 13, 1897.

REPORT OF THE ARCHDEACON FOR WORK AMONG
COLORED PEOPLE.

To the Rt. Rev. Joseph Blount Cheshire, Jr., D.D.,

Bishop of North Carolina:

Although the past year has been one of no very marked advance, the work has gone steadily on and some progress has been made. During the past year I have been employed every Sunday and have preached and held services on other days, when it was possible to do so. The summary of my duty is as follows: I have preached on 89 occasions, celebrated the Holy Eucharist 48 times in public and twice in private, baptized 13 persons, officiated at one marriage and two funerals, catechised a great many times, made 18 visits to schools, made 18 addresses, and churched three women. Besides this, I have held many weekday services and have given instructions which are not included in the above statement. This summary includes duty done in the District of Asheville, the Missions of which have been visited as usual. The staff of clergy remains the same as last year with the exception of Rev. E. L. Henderson, who has removed from the District of Asheville to the Diocese of New Jersey. Mr. Bailey has been removed from Noise and placed at Pittsboro. His isolated position, the difficulty of the work at Noise, and the necessity of having some one resident in Pittsboro made the change desirable. Mr. Bailey will still visit Noise at intervals, and will also go to Moncure. Mr. King has charge of Louisburg in addition to his duties in Raleigh, relieving Mr. Delany, who now only goes to Warrenton once a month. Mr. Delany has, however, given me much valuable assistance in St. Ambrose Church, Raleigh, and he continues his monthly visits to the prisoners in the county workhouse. Besides the general supervision of the work, I have had sole charge of St. James' Chapel, Pittsboro, St. Luke's Chapel, Warren County, Littleton Mission and the little Mission begun at Moncure. Besides this I have celebrated in Raleigh once a month on Sunday and on Holy Days.

In Concord a very valuable work is being carried on by Mr. Oliver Stancill, a Postulant for Holy Orders, under the direction of the Rector of the Parish. Mr. Stancill has labored very faithfully and efficiently as schoolmaster and lay reader. His school is flourishing as to numbers (over one hundred on the roll) and the outlook is promising. It is hoped that this Mission will not be allowed to fail for lack of means, as it surely will if we cannot obtain some help to carry it on. We need

money to pay for the property and to pay the salaries of Mr. Stancill and his wife, both of whom are obliged to teach. There is only \$10 per month for this, and this comes from St. Augustine's League, N. Y.

At Satterwhite, in Granville County, a considerable number of colored persons are working to establish a Mission. A churchman has given an acre of land and a large part of the lumber to build a chapel. The people have gone to work with a will and the frame of the building is now up. They are at present using a school-house for Sunday-school, which they have every Sunday, and a lay reader goes to them once a month for service.

At Littleton the work done by Mr. Virgil N. Bond deserves attention, and must have more help or it will perish. Mr. Bond has worked faithfully and beyond his strength in the past, and has made the school a success. It is large in point of numbers and the marked improvement in the pupils is very encouraging. Mr. Bond's methods are well adapted to the people among whom he labors, and the church is acquiring an influence and respect which will produce the best results. I have been at this Mission as nearly as possible once a month.

St. Luke's, Warren County, is not without its influence upon the surrounding people, and we are gathering now some children into a Sunday-school which meets every Sunday. The oldest member of the church is the catechist and he goes through the catechism every Sunday with them all, asking the questions and exacting the answers. I will venture to say that that little handful of people know their catechism better than most of our congregations. I have just begun the subscription on Diocesan Missions in this congregation.

At Moncure work has been carried on in the past to some extent, but we have now succeeded in purchasing a piece of ground and will soon have a building to shelter us. This was made possible by the kindness of some friends in Massachusetts. Mr. Council will open a school here as soon as practicable and continue a work he was obliged to drop for a time.

The Parochial school in Raleigh, in charge of Mr. King, has been very successful the past year. Upwards of one hundred scholars have been enrolled and a good influence has been brought to bear on the community through this agency. A vigorous effort must now be made to obtain permanent accommodation for this school. The building we at present occupy is only leased, and the school demands better and permanent quarters. Mr. King, alive to the immense importance of this, is asking for aid.

A day school has been taught at Southern Pines the past winter by Mrs. Wheeler, whose salary has been paid by the Massachusetts Branch of the Woman's Auxiliary.

I am sorry to have to record the loss by fire of the Chapel of St. Mark, at Wilson. It was, however, insured and this will enable us to rebuild. In the meantime Mr. Perry will carry on the services as best he can. The

school has been prosperous the past year, and Mr. Perry is much encouraged with the present prospect.

I cannot but mention with admiration the efforts of the members of All Saints' Mission, Warrenton, to maintain the Mission and the Mission School. Besides paying for their property they have assumed the support of the Mission School and guarantee the salary of the teacher. They only receive \$12.50 per month for eight months.

In the month of December last I visited Argo, in Nash County, and was much struck with the opportunity afforded there for carrying on a valuable school work. The lack of means only holds us back from possessing the land.

I have not made particular mention of the older Missions which are going on and steadily advancing to better work. They are faithfully administered, and I believe are doing as efficient work as the means will allow.

The accompanying table will give the statistics. St. Augustine's School and the Hospital of the Good Samaritan will each have its own report and will not need special mention.

Respectfully submitted.

WILLIAM WALKER.

TWENTY-FIRST ANNUAL REPORT OF ST. PETER'S HOSPITAL,
CHARLOTTE. N. C.

December 31, 1896, closed the twenty-first year of the work of this Hospital. It has cared for 997 patients during the twenty-one years. It has erected one small house, and has added to it twice, as more room was needed, at a cost of \$3,000, and is now preparing a large addition to the building, which will be completed as soon as the money for it can be collected.

During these twenty-one years no disturbance, fire or quarrel has troubled its peace, and the quiet and harmony of the work has been most gratifying.

The Hospital record shows that 93 patients were treated during the year 1896—45 males and 48 females—for 3,009 sick days. Six of the number were children. Five deaths occurred. The patients were classed as follows:

From Charlotte.....	22
From Mecklenburg County.....	14
From other parts of North Carolina	41
From other States and countries	16
	<hr/>
	93

Methodists 24; Presbyterians 16; Episcopalians 11; Baptists 10; Lutherans 6; Roman Catholics 4; Israelites 1; No church 21; total 93.

Seven valuable boxes were received from branches of the Woman's Auxiliary in Connecticut, Massachusetts and Washington. D. C.

The total receipts in money were.....	\$1,433.12
Current expenses.....	1,421.47

Balance to 1897	\$11.65
-----------------------	---------

The debt due December, 1895, has been paid. Debts December 31, 1896, for drugs and provisions, \$250. Work on the new building has been suspended for want of funds. It will require \$5,000 to complete it. The work done is substantial and the building will be convenient for Hospital purposes. Every effort is now being made to raise the amount.

The record of the year 1896 is very satisfactory, as regards the relief given, charity cases cared for and cures effected. A railroad wreck has proved its capacity and its usefulness in caring for the injured. A variety of successful operations has demonstrated the skill of its Hospital staff and the ability of its nurses. But it lacks many of the conveniences and appliances of a thoroughly equipped Hospital. Each year sees some improvement, and the managers hope that in time their

earnest desires will be realized, and their long labors rewarded by having the institution in first-class order and well endowed for future usefulness.

MRS. T. R. ROBERTSON, *President.*

MRS. JOHN WILKES, *Secretary and Treasurer.*

FIFTH ANNUAL REPORT OF THE GOOD SAMARITAN HOSPITAL FOR COLORED PEOPLE, CHARLOTTE, N. C.

During 1896 this Hospital has cared for 83 patients for a total of 1,640 days—48 males, 35 females. Six patients died. Forty patients belonged to Charlotte, 12 to Mecklenburg County, 19 to other parts of North Carolina, and 12 to other States. All but 11 were charity cases. All kinds of cases were received, and all ages—from a three-year old child to men helpless from old age. That so few deaths occurred was remarkable. The financial report is as follows:

Balance from 1895.....	\$ 37.17
Received in 1896	1,274.77
Total	\$1,311.94
Current expenses.....	1,269.64
Balance to 1895.....	\$42.30

Drs. Faison, Pressly and Pope have had charge of the Hospital, and have been most kind and skilful. The Matron is a graduate of the Freedman's Hospital, Washington, D. C., and is especially fitted for the position. The Managers have not yet been able to establish the training school for nurses, from want of room as well as want of funds, but they still hope to accomplish it.

Some boxes and other gifts have been received from northern branches of the Woman's Auxiliary. The Colored Graded School and St. Michael's Parish School, of Charlotte, both sent Thanksgiving donations of provisions.

The number of patients was much larger than the previous year, and of course the expenses were increased.

APPENDIX D.

ACT OF INCORPORATION OF THE TRUSTEES OF SAINT MARY'S SCHOOL. RATIFIED MARCH 2. 1897.

The General Assembly of North Carolina do enact :

SECTION 1. That Joseph Blount Cheshire Jr., Alfred A. Watson, Francis J. Murdoch, Julian E. Ingle, Charles E. Johnson, William A. Erwin, Robert Strange, Wharton J. Green, McNeely Dubose, Theo. F. Davidson, their associates and successors, be and they are hereby declared to be a body politic and corporate, by the name and style of "The Trustees of Saint Mary's School." for the purpose of carrying on, or causing to be carried on under their direction, authority and supervision, a school for the education of girls, and under that name and style they shall have perpetual succession and shall be capable in law to take, receive, hold and purchase lands, tenements and hereditaments of any value which may be granted, sold, devised or otherwise conveyed to said corporation; and shall also be capable in law to take, receive and possess all moneys, goods and chattels of any value and to any amount which may be given, sold or bequeathed to or for said corporation.

SEC. 2. That said corporation shall be capable in law to bargain, sell and convey any and all lands, tenements, hereditaments and personal property held and owned by the corporation, when the grant, devise or other conveyances does not otherwise provide.

SEC. 3. That said corporation shall have power to make and establish such by-laws, rules and regulations for the government of said school as to them may seem proper and necessary, and as are not in conflict with the Constitution and laws of this State and of the United States: *Provided*, The said corporation shall be under the jurisdiction, control and direction of the Protestant Episcopal Church in the State of North Carolina, as represented by the Bishops and legislative bodies of said Church within the limits of the State of North Carolina, as is hereinafter more particularly specified.

SEC. 4. That said corporation may sue and be sued, plead and be impleaded in all the courts, and shall have the power to make and use a common seal, and to alter the same at pleasure.

SEC. 5. That the said trustees, omitting such as may hereinafter be declared *ex officio* members, shall be divided into two classes of equal number, the first class to hold office three years from the first day of January, 1897, and until their successors shall have been appointed; and the second class shall hold office six years from the same date, and

until their successors shall have been appointed: and thereafter all terms shall be for three years. That at any time said trustees, or their successors, shall have power to add to their number: *Provided*, that the whole number of trustees, exclusive of *ex officio* members, shall not exceed sixteen: and any six of said trustees shall constitute a quorum for the transaction of business. That every Bishop of the Protestant Episcopal Church, exercising jurisdiction within the State of North Carolina, shall be *ex officio* a member of said board of trustees. That when a vacancy shall occur by the resignation or death of a trustee, or by the expiration of his term as above limited, his successor shall be elected by the representative Convention of that Diocese or Jurisdiction of said Church in the State of North Carolina with which said trustee was connected. Upon the failure for one year of such body to elect a successor, the remaining trustees shall have power to fill the vacancy. When an election to fill a vacancy caused by death or resignation is had, such new trustee shall hold only for the remainder of the term of his predecessor.

SEC. 6. That the said trustees shall have power to appoint their own president, secretary and treasurer, for such time as they may deem proper, and to elect such professors, tutors and other officers of the aforesaid school, as they shall deem qualified to discharge the duties of their several offices and positions, may fix their term of office, and may remove them for misbehavior, inability, neglect of duty, or other cause, which shall be deemed advisable to said board of trustees, and do any and all things and acts usually given to literary institutions.

SEC. 7. That the said trustees shall hold their meetings from time to time, as often as may be necessary, and that said board of trustees shall make a report, at least annually, to the several bodies having power to fill vacancies.

SEC. 8. That the faculty of said school, with the advice and consent of the board of trustees, shall have power to confer all such degrees and marks of distinction as are usually conferred by colleges and universities.

SEC. 9. That the property, real and personal, belonging to and held by said corporation, shall be exempt from taxation.

SEC. 10. That the said "Saint Mary's School" shall be located in Raleigh, or in such other place in North Carolina as said trustees may determine.

SEC. 11. That in case, for any cause, said trustees should determine to abandon the trust imposed on them, all property belonging to them shall be devoted to such religious, charitable or educational purposes as may be determined upon by the several representative bodies entitled to elect said trustees and fill vacancies as aforesaid, having respect, as far as practicable, to the proportions in which the several Dioceses or Jurisdictions have created said fund.

SEC. 12. This act shall take effect from and after its ratification.
